
Goblin And Coins II Download Bittorrent

In the next room, head to the bottom of the room and push the blue cart, followed by a fire cart. Then make your way to the top right of the room and push the black ore cart. Then return to the bottom and push the remaining fire cart.

Now make your way back to the top and the entrance will be clear. Get the key from inside the room and the return to the room with the three mine carts and this time jump in the left cart.

Use the blue explosives to blow up the pillar and the jump in the empty cart to get into the next room. Use the

About This Game

Years have passed, decades maybe. Little goblin moved on, all but forgot about the great coin trouble, not even realizing that a new trouble is awaiting behind the doors! Run and jump through a new adventure, explore the world, collect coins and face enemies old and new in this evolution of a 2016 indie small bean Goblin and Coins.

- Improved graphics
- Extended mechanics
- Simple puzzles
- Revisit levels
- Even weirder enemies and story line
